## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon’s best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on “join”. Joining is either automatic or can be “approved” by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**

## The Beacon Community Group on Facebook.

This Group was set up some time ago as a place where events – both Beacon wide and individual churches – can be advertised. And as a forum for discussion and communication between the Beacon parishes. It is, however, one of the Beacon's best kept secrets!! Mainly because I forgot to tell everyone. Oops! So, this is to encourage those who use Facebook to join the group and to spread the word more widely. To regulars at our churches AND to those around the edge who come sometimes or support in other ways. It would have been a perfect forum for the recent Holy Week share out of Services between the Beacon churches. (Had I got my act together earlier...)

On Facebook, search for Beacon Community Group. Select that to open the page and then click on "join". Joining is either automatic or can be "approved" by any existing member. See you there! – *Rachel Berlinger*

**Home Communion: If you are unable to get to Church and would like to receive Holy Communion at home, please contact Tessa Amies (01803) 813993**
